## WHY YOUR SUPPORT IS NEEDED

The **Bellaire Baseball Team** is a dedicated and talented group of individuals recognized for their academic achievements as well as their baseball prowess.

HISD provides our school with minimal funds to support athletic programs in our community. The majority of the additional money for the program is raised by the dedicated parent volunteers who devote countless hours and financial assistance to help keep the program at the high level it is known for.

**Substantial funds are needed to provide, maintain and enhance the facilities, equipment, and uniforms for the Bellaire Baseball program.**

UIL, the regulatory body of high school sports, has strict guidelines governing the participation of student-athletes in fund-raising activities. For this reason, outside financial sources are needed.

Ongoing expenditures include:

- Fieldhouse upgrades
- Uniforms
- Field Maintenance
- Training Tools and Programs
- Routine Baseball Equipment
- Facilities Enhancement

**BELLAIRE FAN - \$500** Your logo on a sign shaped as home plate at Cardinal Field for one year.
